

## **Entertainment offering to the Elderly**

My Name is Dirk Quartemont

I have been playing the guitar and singing for seniors over 30 years.

I play old and new worship/gospel music and also have a variety of secular music from the 70s and top chart country and pop.

I can adjust to almost any crowd.

I have a big heart for the Elderly and Children's Homes

I bring my mixer, speakers and microphones if needed.

**(My rate per hour is \$120)**

**Put me in your calendar once a month, and you will get a rate of \$95 per hour**

I also do activity music in Memory Units. For residents in their latter stages of life, upon family request, I offer a prayer cover, worship and prayer. During this time I play worship songs and pray with the resident that is transitioning. I usually can perform this after a music session.

I also offer a service for holidays and special events:

- Amplified session for 1-2 hours with live music of guitar and song
- A raffle where everyone wins a stuffed animal up to 50 people (if more people are present, we need advanced notice and can provide additional stuffed animals for \$1 ea.

**(My rate for whole event is \$250)**

I usually can pre-mail the invoice so that payment can be made on or close to the event.

We supply a W9 with the invoice.

We look forward to singing with your residents!

Have a blessed day!
